

Application No. 10/532,534

Reply to Office Action

REMARKS

The Final Office Action dated October 18, 2007 has been carefully considered. In the Office Action, all of the previously pending claims except claims 72, 74 and 77-89 were indicated as allowed. These claims stand rejected under 35 U.S.C. § 112 as indefinite. In particular, the Examiner indicated that there was a lack of an antecedent basis for the limitation "the extension arms" in claim 72. Per the Examiner's suggestion, applicant has cancelled claim 73, without prejudice, and incorporated the substance thereof into amended claim 72 to provide antecedent basis for this limitation. As indicated by the Examiner, this amendment overcomes the § 112 rejection and should place claims 72, 74 and 77-89 into condition for allowance, along with the remaining pending claims. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
